## Completing Arrangements For Races at Bowie Track Tonight George Isemann will endeavor to add to the interest J. E. Dulin, of the Jeds. has excited in Laurel, Md., bowling

The racing season in the East will be ushered in on Saturday April 1, at the popular Bowie course, and will continue for two weeks under the auspices of the Southern Maryland Agricultural Association.

Nearly every available inch of bran space has been engaged by horsemen and many are now quartered at the Bowie course, while many are en route from the southern tracks and will arfrom the southern tracks and will ar-

Another improvement which has been much needed has been attended to, and this spring an excellent train service will be maintaned between Washington and the course. Several extra trains will be put on and better time will be made all around. The Balti-Washington & Annapolis line, which runs direct to the course, have agreed to see that better service is maintained, and if this is carried out. no doubt record breaking crowds will

be seen at the Bowie course.

As for the quality of the races to be run, it can be said that the best horses in training will be shipped to the course to open their spring cam-paign. Among those who already have already notified Mr. O'Hara they will be here are the following stables: C. J. Brockmiller, G. L. Blackford, R. L. Baker, J. W. Schorr, E. W. Moore, P. M. Civill, J. C. Official figures show that close to 2,100,000 motor cars were licensed in this
country in 1915, and it is conservatively
estimated that at least 1,000,000 persons
are driving their own cars this year.
A significant thing about the large proportion of owners who run their machines
themselves is that the sale of automobiles in the United States is far from
being limited to those who understand
mechanical things. In other words, the
degree in which the automobile may be
classed as a vehicle requiring an expert
to operate it is dimishing rapidly.
Still, it is probable that not one person
